LOCAL MATTERS.

AUSPICIOUS OPENING

Of the Base Ball Season on the

Home Grounds.

Bangor Aggregation Pleases Everyone by

Its Excellent Work.

Brooklyn Easily Defeated Before a Very

Large Crowd Monday.

In a "burst of glory" the Bangors

opened the base ball season on the home

grounds. At 8 o'clock yesterday afternoon

we were welcomed by Brooklyn for

third place in the league. A 5 Brooklyn

dropped into fourth place and left

Bangor in undisputed possession of

first. That didn't hurt our feelings at

all. Yesterday the skies were clear

and base ball enthusiasts were thankful

for there would have been intense disap-

pointment if rain had descended and the

game been postponed.

Before the game the players and the

Bangor Band went about the city in an

electric car and then proceeded to Man-

drew Park. There was a gathering

of the club at the park early and by the

time the band had stopped its concert

and the game was called many hundreds

there and when all had stopped com-

ing there were 1,600 people on the grounds

properly.

At 8 P. M. Umpire Kelley walked up to

a business-like manner and a propos-

ing stranger stroked out to the dia-

mond from the grand stand. He was

no other than President T. H. Murnane

of the New England League and when

the umpire introduced him he was greet-

ed with applause. He was a famous

ball player in his day and he peeled off

his top coat and taking his position in

the pitcher's box pitched the first ball,

which really went somewhere near the

plate and the batter.

Mr. Murnane then retired to private

life and "Long Jim" Hornum took his

place and proceeded to "wind 'em up"

He may have had a case of stomach

in running up against the Bangors. We

don't wonder. At all events, whatever

the cause, he was erratic in his work

and several bases on balls, two wild pitches

and two hits by pitched ball during the

game helped the home team.

The Bangors, Bangor's opponents,

were not to the same class with us yet

today.

The new uniforms of the Bangors are

handsome and the men make a fine ap-

pearance on the field. They look like

ball players and they are not only look-

ing well but they are doing well. They

started off the game with a vengeance in the

first inning, got a hit and took

second on Simon's at first. Sharrott

was hit. Radford scored and Sharrott

took third on Henry's single.

Henry was kindly applauded when he

went to the bat, although that was not

his fault as he was hit with a ball.

Second and third on O'Brien's at

first. Sharrott scoring on the same

play. Henry hit it out well, but

his fly ball was captured by Nadeau,

making three out in the 21 inning

two bases on balls, a single by Wheeler

and two batters by Sharrott and Henry

gave the locals four runs more. And

so it went on, the Bangors doing good

base hitting and the Brooklyn

team doing no good business with

George Wheeler.

Up to the eighth only two hits were

made off Wheeler, both singles. Wheel-

er was using his head and kept the vis-

itors guessing badly, and struck out some

of the best of them. His work was fine

and Radford, our new catcher, was as lively

as a cricket. No mistake was made when

he was secured. He is very quick and

an accurate and swift thrower to bases

Radford at once became a favorite. He

is as lively as any of the cots and his

work is only the result of over

anxiety to do well.

Simon, another new one, is bound to

be a favorite here. He is a fine field-

LOCAL MATTERS.
